## OBJECTIVE

Eager to apply my data analysis skills in a dynamic environment. Skilled in SQL, Python, PowerBI and data visualization. Aspiring to contribute to data-driven decision-making processes and eager to develop further in data analytics.

## EXPERIENCE

### Data Analysis Intern

#### MIC GROUP

2024 - 2024 Chennai

Internship focusing on data analysis and visualization.

- Analyzed large datasets using SQL and Python, identifying key trends and patterns, which improved data-driven decision-making by 30%.
- Developed and presented data visualizations using PowerBI, resulting in enhanced stakeholder understanding of complex data sets.
- Collaborated on a project to streamline data collection processes, reducing data processing time by 25%.

### Data Analysis Intern

#### MeriSKILL

2023 - 2023 online

Internship with a focus on business intelligence and data management.

- Assisted in the development of an automated reporting system using Python, which increased report generation efficiency by 40%.
- Conducted in-depth data analysis to support business strategy development, contributing to a 15% increase in operational efficiency.
- Participated in a team project to enhance data quality, achieving a 20% improvement in data accuracy.

## PROJECTS

### Sales Dashboard

#### Sales Dashboard

2024 - 2024

I created a sales dashboard as a personal project. I used my data analysis skills to identify key trends and patterns in the data and then used those insights to create a visual representation of the data. The dashboard makes it easy to track sales performance and identify areas for improvement. I am proud of this project because it demonstrates my ability to use data to solve problems and make informed decisions.

## EDUCATION

### Bachelor of Technology in Mechanical Engineering

#### Aryabhata Knowledge University

2018 - 2022 Bihar, Patna

## LANGUAGES

Hindi  
Native

English  
Proficient

## STRENGTHS

### Analytical Thinking

Proven ability to analyze complex datasets, as demonstrated during my internship at MIC, leading to actionable insights.

### Effective Communication

Skilled in presenting complex data in an understandable format, evidenced by positive feedback from past company.

### Team Collaboration

Excelled in team projects, contributing to a 20% improvement in data quality at MIC Groups through effective collaboration.

## SKILLS

SQL Python Advanced Excel

PowerBI Google sheet

Data Analysis Report Generation

Data Management Critical Thinking

Data Visualization Data Cleaning

Business Intelligence

## CERTIFICATION

### Google Data Analytics Professional Certificate

An in-depth course on Foundation, Ask, Prepare, Process, Share and Act by Coursera.

### Career Essentials in Data Analysis by Microsoft

Data Analysis, Data Visualization, Data Analytics

## PASSIONS

### Data-Driven Storytelling

Passionate about transforming data into compelling stories that drive decision-making and strategy.

### Continuous Learning

Committed to continually enhancing my data analysis skills through courses, workshops, and self-study.
